"I don't see any reason to vote on the incinerator if we don't have our operating permit," explained commissioner Lawrence R. Pernick, D-

based, in part, on recommendations from the Air Quality Division of the Michigan Department of Natural Resources.

Gov. John Engler to prod the commission into reviewing Oakland's permit application — submitted in

Pappageorge said commissioners have several options. "We can post-

"If I had to make a decision today,

can't go ahead with the incinerator without the permit. That might be too iffy."

Clean Water Action is based in Washington, D.C., and claims 700,000 dues-paying members nationally, in-

NONE OF THE questions on the survey asked residents how they would vote on the upcoming ballot proposal.

"I was one of the people interviewed for the survey," said Ann

Hobart said she has more confidence in a telephone survey commissioned by the county in February. That survey, based on interviews with 600 respondents, indicates that 80 percent of Oakland residents support an integrated waste program that includes an incinerator.

missioners will hold a meeting at 2:30 p.m. Thursday, Aug. 29, in their administrative offices at 31001 Lahser Road to solicit public reaction to the need for the road commission to increase certain charges for activities on the road right of way. "No one likes being in the position of having to increase costs to the customer," said John L. Grubbs, managing director of the Road Commission for Oakland County.

various types of permits related to activities on the road right of way. "No one likes being in the position of having to increase costs to the customer," said John L. Grubbs, managing director of the Road Commission for Oakland County.
