Next Monday we commemorate
The work that made our
country great;
Our efforts which have set the stage
For living in this modern

age.
Just look at our accomplishment,
Through all the things we did
Invent

From phones and light bulbs and the

ear
To TV and the VCR:
Plus all the hours that we save
By cooking with the microwave.
Now that's to mention just a few
Devices which have aided you.
God's love for us, as we can see,
Provided the ability
To make these things; so work and pray,
And celebrate on Labor Day.
Gloria Nowak
