

Blazing new design trails

High country fashions . . . a love affair with naturalism and ecology. Navy wool blazer (\$180), navy, burgundy and forest plaid walking short (\$95) over classic white cotton shirt (\$68). Don Thomas Sporthaus, Bloomfield Plaza, Bloomfield Hills.

The big easy. Double your fun with Michael Simon. Wool blend, abstract-designed tunics topping off slim, body-conscious silhouettes. Jacobson's.

"Timeless fine jewelry from Tapper's is always the highlight of my fall fashions..."

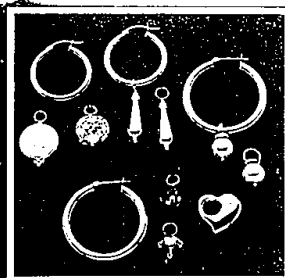

And this year I've discovered the charm and versatility of Interchangeables, at a very special price.

The perfect link between your personal style and today's latest fashions will always be fine fashion jewelry. This fall Tapper's is pleased to offer Interchangeables, classic 14K hoop earrings with interchangeable precious and semi-precious dangles.

For every outfit and changing mood you'll say, "Thank goodness for Interchangeables and Thank Goodness it's Tapper's."
