To All the Staff at Peachwood Inn:

I have been a resident of both Devon and Borden Court for the past eight months and have often wondered just how to thank each of you for your loving care. It would be unfair to single out any particular individuals because each of you has made my stay an uplifting experience. I hope my letter will convey the sincere appreciation I feel for your kindness and professionalism.

It seems that no stone is left unturned to see that we residents are cared for in each of our needs. I realize that we present problems to you from time to time but you do your jobs with a smile no matter how difficult and unpleasant.

Take pride in Peachwood and in the job you do. You deserve it! Thank you for making life here so pleasant and comfortable.

Sincerely,

Frederick Moeller
