

HOROSCOPE

September 15 through 21

VIRGO (Aug. 23 - Sept. 22)
An exercise program will have you feeling fit, but it is imperative you stick with it to reap the benefits. A loved one needs to know you care.

LIBRA (Sept. 23 - Oct. 22)
Say what you mean when dealing with authority figures, and don't beat around the bush. They will appreciate your not wasting their time.

SCORPIO (Oct. 23 - Nov. 21)
Children or young adults could figure prominently in your future. Stay away from those who gamble; you could lose more than you bargained for.

SAGITTARIUS (Nov. 22 - Dec. 21)
Your stubborn streak is showing, and it isn't going to get you far this week. Sometimes compromising is the only way to get things done.

CAPRICORN (Dec. 22 - Jan. 19)
You don't always feel like doing the right thing, but do so anyway. Remember how good you'll feel after it's done.

AQUARIUS (Jan. 20 - Feb. 18)
Take advantage of a business opportunity that falls into your lap. Health matters concerning loved ones should be taken seriously.

By C.C. Clark

PISCES (Feb. 19 - March 20)
A love relationship could take a serious turn for the better. You are ready, but you have your doubts about going one step further.

ARIES (March 21 - April 19)
A friend will deliver great news that will give you cause to celebrate the night away. An elderly person will offer sound advice.

TAURUS (April 20 - May 20)
You will feel much better if you organize those important papers at home. Gather everything together first; you'll finish quicker.

GEMINI (May 21 - June 20)
Take preventive health measures. A yearly checkup should be a priority. Use your free time to expand your horizons by taking a class.

CANCER (June 21 - July 22)
A short rest will have you feeling refreshed and ready to face whatever might come your way. If it's feasible, pay someone to do those chores.

LEO (July 23 - Aug. 22)
Keep your eyes open for the job opportunity of a lifetime. A seemingly casual acquaintance could be your ticket to financial freedom.
