A Picture of the Man Who Thought It Economy to Buy Cheap Fuel

HIS POCKETS ARE EMPTY

Good Coal is not cheap but it costs less in the end. Free from clinkers—less ash—more heat—requires less to furnish the needed heat.

A Small Liner in The Enterprise Will Bring Big Results

ANNOUNCEMENT

The Oakland County Savings Association has just completed arrangements whereby Farmington residents will profit by participating in the benefits of this Association, both for the investor or the man who wishes to build his home.

We cannot attempt to give out a thorough understanding of our operations in this advertisement, but will point out a few reasons why you should be one of the eight and one-half million people in the United States who are now members of Building and Loan Associations.

In another part of this paper is reproduced an article which will give you some idea of our operations.

TO THE INVESTORS—

You can buy our stock on a little down and a small payment each month or the total paid at any time.

Funds placed with us may be withdrawn at any time subject to the Michigan State statutes which would require you giving thirty days notice.

Conservative in every respect—economy practiced to the last degree—Careful Appraisal of all loans—safety, security and vigilance, our watchword.
