

A Practical Adjustment to Realities

is a characteristic of the business man who accomplishes things.

This institution keeps informed about his requirements through its Board of Directors who are actively engaged in industry and commerce.

These relations of ours with the practical affairs of every-day business enable us to closely adjust our service and general policies to existing conditions.

We especially invite the accounts of business men.

Latest Oil Range That Cooks As Fast As Gas

Come in and See It

The widely advertised new model New Perfection Oil Range with SUPERFEX Burners that equal the cooking speed and convenience of gas is now on display here. It is the latest addition to the world famous line of New Perfection Stoves used by 4,000,000 women. Come in and see this new stove and its revolutionizing SUPERFEX Burner.

NEW PERFECTION Oil Range with SUPERFEX Burners

Experts Worked for 25 Years to Perfect this BETTER Spring

YOU wanted a real "form-fitting" bed-spring—a spring that would yield to every curve of the body without sagging. And here it is! Notice the helical springs all run vertically, cancelling the lines of your body. No side-sway, either. The 120 deep cone coils are mounted in a rigid steel frame. Other makes offer less than 100 coils.

All spring parts have full action. No friction. Thus no noise. Sanitary. Readily cleaned. Built for lifetime service, yet light and convenient to handle. Sold under a guarantee of perfect satisfaction. Select your REST-RITE this week and get a \$2.50 cover FREE. Made of fine ticking. Protects mattress from dust.

V-K WATER SOFTENERS

Soft water is no longer a luxury—it is a necessity in every modern home—a necessity to health and comfort. Pure, clean, soft water is always available when a V-K Water Softener has been installed in your home—the softener that supplies water five times softer than cistern water. Always pure, always clean.
