

Depositors

in this institution have discovered the secret of financial progress—Systematic Saving.

They are getting ahead because they had will-power enough to open a savings account—perhaps for only a dollar or two—and to make regular deposits after that.

We co-operate with our depositors in every way and are always glad to welcome new friends.

We Deliver

V-K WATER SOFTENERS

Soft water is no longer a luxury—it is a necessity in every modern home—a necessity to health and comfort. Pure, clean, soft water is always available when a V-K Water Softener has been installed in your home—the softener that supplies water five times softer than cistern water. Always pure, always clean.
