IT WON'T BE LONG NOW!

Supply and Demand Govern Prices

The demand for property in and near Farmington is going to be much greater in the next twelve months because of more and better roads; and the boosting the Greater Farmington Association is giving to Farmington and vicinity.

The supply of real estate is limited. There is only so much; consequently prices are bound to be higher.

Come in and talk it over and we will show you where and how to invest for the greatest safety and profit.

Walton of Cheboygan, Mich., who has been spending the past six weeks among relatives and in lower Michigan. Miss Walton formerly lived in Farmington. She returned north on Wednesday.

Build for less. Our co-ordination and control of sub-contracts and materials enables us to affect great savings in building. You derive the advantages of this will build anywhere within a radius of thirty miles of Detroit for the same price. Financial assistance given if necessary. Phone Redford 755-J.

All men are equal—as husbands.

Stevenson's Grave Tended

Gen. Sir George Richardson, administrator for western Samoa, has accepted responsibility for the proper maintenance of the grave of Robert Louis Stevenson. The tomb and the track leading to it through Vailima estate, which belongs to the government, are being properly cared for, the governor said recently.

Many Miles on "Bike"

When the bicycle craze started Ole Hartwick of Granite Falls, Minn., was forty, and he has kept up bicycling ever since. He has ridden 83,000 miles—actual count—in twenty-nine years. He keeps track of his mileage by means of a cyclometer. Every time he finishes 10,000 miles he puts on another cyclometer.

Raising Game Birds

Members of the Holly Island club, near Wachapreague, Va., are rearing game birds with considerable success. Expert gamekeepers are in charge of the work on an island several miles out in the ocean. It is proposed to release these birds on the island, which is ten miles long, and eventually to build up a good hunting preserve.
