### Machine Not Suitable for Harvesting Rice

Machine, ally of the paleface, has failed in its effort to collect rice in the innumerable lakes of Minnesota and the Indians have been temporarily successful in defending their traditional monopoly of the wild rice harvest.

F. J. Scott, acting superintendent of the Consolidated Chippewa agency, said this was due to the impracticability of modern rice-harvesting machinery rather than to the counter efforts of the red man.

The Indians were greatly alarmed at the appearance of rice-harvesting machines. They not only threatened to remove an indispensable means of making a livelihood but literally destroyed the precious fields. The heavy boats necessary to carry the binder-like contraptions ripped the tender stalks from the shallow water, spoiling virtually all rice that the reaper missed.

Now the tribesmen and their families in birch-bark canoes and awkward, but light flat-bottom boats, are proceeding as in the days of old.

## A. W. PETIPREN

CANDIDAE FOR

Office of  
County Coroner

On Republican Ticket at Primaries  
September 14

A. W. Petipren today announced his candidacy for coroner of Oakland county, on the Republican ticket, at the primary election in September.

Mr. Petipren has been in Pontiac more than two years, coming from Detroit, where for five years he was associated with the William R. Hamilton company. He received his early training at the Worchman College of Embalming in Chicago and has studied probate law at the University of Michigan.

He was born in Fair Haven in 1893 and received his grade and high school education there. He also studied at the University of Detroit.

"I feel the background I have fits me for the position I seek," Mr. Petipren said today. "Assisted from my college education I believe the experience I have already had in the undertaking business is ample qualification for the position of coroner."

"It takes requirements of a man which are of a different nature than any other public office and I feel that I have considered them and have confidence that with the help of persons in Oakland County I will be competent to meet these requirements."

## GEORGE B. HARTRICK

Republican Candidate for Re-election  
Circuit Court Commissioner  
Oakland County

PRIMARY TUESDAY, SEPTEMBER 14, 1926

Two Commissioners are to be elected. I am the only candidate from the County, outside of the City of Pontiac.

Fairness, convenience and custom entitle the balance of the county to one Commissioner, in addition to the fact that more than one-half of the work of the Circuit Court Commissioner comes from this part of the County.

YOUR VOTE WILL BE APPRECIATED
