### TO THE VOTERS OF FARMINGTON TOWNSHIP

A recent opinion from the Attorney General to the Township Board, informed us that we could no longer hold town meetings or elections in the Town Hall in the City of Farmington. This opinion came so late that it has been necessary to find a suitable place for elections satisfactory to all voters, in a very limited time.

At a joint meeting of the Township Committee and the Township Board on Tuesday evening, August 24, several places for holding elections were considered. There were several places near Farmington Junction offered, but that was within the territory of the second precinct. School houses cannot be used because school will be in session. Vacant houses which were available were without lights. It was then suggested that we accept the offer of the free use of the Glenoaks Golf Club house on the 13-Mile road near Orchard Lake road. The opinion that we use this place for the primary election was unanimous, even though some of the voters will have to travel four or five miles. By the time of the next election it is hoped that there will be a more centrally located place to hold the election for the first precinct.

First Precinct, Glenoaks Golf Club house.

Second Precinct, Clarenceville Willard Campbell, Typ. Clerk.

### PRIMARY ELECTION

Notice is hereby given that a General Primary Election will be held in the Township of Farmington, County of Oakland, State of Michigan, within said township on TUESDAY, SEPT. 14, A. D. 1926. For the purpose of placing in nomination by all political parties participating therein, candidates for the following offices, viz.:

gressional district of which said Township forms a part.

COUNTY—Also candidates for the following county offices viz.: Sheriff, County Clerk, County Treasurer, Register of Deeds, Prosecuting Attorney; two Circuit Court Commissioners; one County Drain Commissioner; one Surveyor; two Coroners; one County Road Commissioner.

### DELEGATES TO COUNTY CONVENTIONS

There shall also be elected at said primary, by direct vote of the registered and qualified voters of each political party in each county, as many delegates in each township, ward or precinct, as the case may be, as such political party in such township, ward or precinct shall be entitled to by the call issued by the county committee of such political party for the county convention thereafter to be held by such political party within said county in that year for the purpose of electing delegates to the state convention called for the purpose of nominating candidates for state offices to be voted for at the November election. In case of any vacancy in any delegation from any election precinct, township or ward to the county convention, such vacancy shall be filled by the delegates present from the ward or township in which the vacancy occurs.

The state central committee of each political party shall, at least thirty days before the September primary herein provided for, cause to be forwarded by mail to the chairman of the county committee of such party a copy of the call for the Fall state convention showing the number of delegates to which such county shall be entitled in the state convention of such party; and the said state central committee shall apportion such delegates to the several counties in proportion and according to the number of votes cast for the candidate of such

party for secretary of state in each of said counties, respectively, at the last preceding November election.

The name of the candidate for delegate to the county convention shall not be printed upon the official primary election ballot, but one or more such names may be placed on such ballot by printed or written slips pasted thereon by the voter, or the names may be written in by the voter.

Delegates to the Fall county convention shall be elected by election precincts and the county clerk shall notify by mail each person elected as such delegate.

The required number of electors to receive the highest number of votes for delegates to the Fall county convention of any political party shall be declared by the board of primary election inspectors to be elected.

The board of primary election inspectors shall certify to the county clerk the names of the electors so elected, as delegates naming the political party upon whose ballots such electors were elected. The county clerk shall notify each delegate so elected of his election as such delegate, and shall certify to the chairman of the county committee of each political party of the county, the delegates elected by such political party as delegates to the Fall county convention.

### SUGGESTIONS RELATIVE TO VOTING

SEPARATE BALLOTS for each political party will be provided. The elector must name the political party of his choice when asking for a ballot and in marking his ballot must make a cross in the square to the left of the name of each candidate for whom he desires to vote, and can vote for only one candidate except where two or more candidates are to be nominated, in which case he should vote for two or the number to be nominated.

## LONG DISTANCE TELEPHONE SERVICE CHANGES

Effective October 1, 1926

### Reductions in Long Distance Rates to Points Outside Michigan

To points outside Michigan that are 150 miles or more distant, Long Distance rates will be reduced substantially—the greater the distance, the greater the reduction. For example, from Detroit to St. Louis the basic station-to-station rate will be \$2.30 instead of \$3.00; to Denver, \$5.25 instead of \$7.40; to San Francisco, \$9.30 instead of \$13.45; to New York, \$2.40 instead of \$3.15. Reductions in rates from this city will be in like proportions.

Rates for distances between 24 and 110 miles will be adjusted, in many cases, to make the schedule consistent throughout, but in these cases any increase of the basic station-to-station (Anyone) rate will be only five cents.

### Reversed Charges on Station-to-Station (Anyone) Calls

Heretofore the reversal of charges has been available only on person-to-person (Particular Person) calls. As a further convenience to the public, this privilege will be extended to station-to-station (Anyone) calls where the rate is 25 cents or more, both to points outside of Michigan and between points within the state.

### Longer Reduced Rate Period

Reduced rate hours for station-to-station (Anyone) calls, both to Michigan points and to outside points, will begin at 7:00 p. m., instead of 8:30 p. m. as formerly. Between 7:00 p. m. and 8:30 p. m., the discount will be approximately 25 per cent of the day station-to-station (Anyone) rates; from 8:30 p. m. to 4:30 a. m., the discount will be about 50 per cent of the day rates. These discounts will apply where the day station-to-station (Anyone) rate is 40 cents or more, with a minimum reduced rate of 35 cents. Because of the unsatisfactory service conditions which it brought about, the midnight discount still in effect on calls to points outside Michigan will be discontinued.

The net result of these rate changes will be a saving to the telephone users of the United States of approximately \$3,000,000 a year. The service changes are made in the interests of public convenience, to relieve the burden now imposed by the congestion of business at midnight and to furnish still better long distance service.

Reductions and adjustments in long distance rates between points within the state became effective July 1st.
