MILLE GADE CORSON AT TEMPLE THEATRE

Mille Gade Corson, first American mother to swim the English Channel, headlines the bill at B. F. Keith's Temple Theatre starting Sunday afternoon. Upon her arrival in America Mrs. Corson received a royal reception. Mayor Walker of New York City presented her with a gold medal for her heroic achievement. Her Channel swim covered 40 miles and took 15 hours and 38 minutes. Mrs. Corson is booked for a limited engagement in Keith-Albee vaudeville and Detroit is one of the few cities west of New York in which she will appear. Others billed: Willie West, McGinty and Company in their wordless comedy, the "House Builders," Al and Fanny Steadman in "Pianocapers," Clifford and Marion; La Torricella and Company; Bobby Adams and Company; Willie Hale and Brother and the screen subjects.

GREENWICH VILLAGE FOLLIES SHUBERT DETROIT

The new seventh annual edition of the Greenwich Village Follies, heralded as the most entertaining and extravagant show yet offered in this spectacular series, comes to the Shubert Detroit Opera House on Sunday night, October 10, for a two weeks engagement, with matinees on Wednesday and Saturdays. Seats may be ordered by mail now.

This is the same Greenwich Village Follies, both as to cast and production, which played all of last season at the Shubert and Chanin Theatres in New York. Detroit is but the second city outside of New York in which the show is presented. Following its local engagement it proceeds to the Apollo Theatre, Chicago, for an eight weeks run. There are no number two companies of this revue, and no other shows masquerading under its title. In the popular company are Tom Howard, Irene Delroy, Natasha Natova, Joe Penner, Evelyn Hoey, Sam Hearn, Mae Baird, Archie Thompson, Bailey and Barnum, Kendall Capps, Alice Wellman, Joe Lyons, Arnold Gluck, Paul Russell, Claire Hooper, Marcia Donovan, Gretchen Rein-

hart, Margaret Walsh and many others. A significant item in the cast is The Sixteen American Rockets, a group that has been dancing as a unit for two years and the members of which dance with a uniformity and precision that is praiseworthy. The background for the entire performance is formed by forty lush and distracting beauties graceful figurants who add a high pictorial quality to the song and dance numbers.
