## Enjoy Tumbling, Gymnasts' Feats

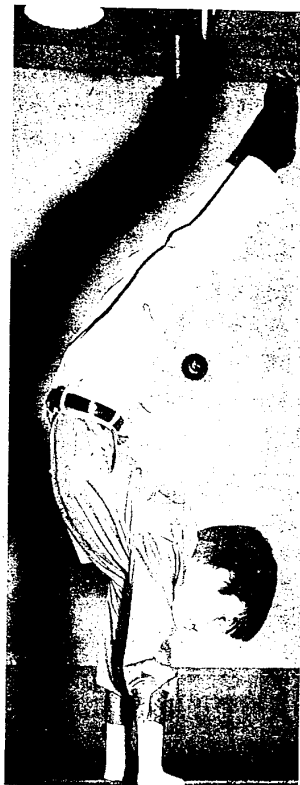

FARMINGTON  
Interest in gymnastics continues to grow at elementary schools in the Farmington School District.

More and more schools are forming gymnastic clubs so that participation is not limited to the classroom but can be carried on before and after school hours.

Most recently, clubs have burgeoned at Fairview and Alameda elementary schools. Beechview and Kenbrook elementary schools have had clubs organized for several years now and are taking part in the regional meets of the Michigan Association of Gymnastics.

At the girls meet held recently in Saginaw, Julie Keenan, Kathy Purcell and Shawn Keitel of Beechview placed among the top 10 tumblers to qualify for the state finals this month.

The boys will compete regionally at Clarenceville High on Saturday, April 10.
