What to Choose

When young folk elect to marry, ancient custom has decreed that they be given something to help them on their way. Utility, then, is the essence of a wedding gift, not mere ornament.

In selecting an electric housekeeping aid—toaster, percolator, cooking appliance or what not—you make a gift that combines everyday usefulness with beauty of design and finish.

The gift of an electric domestic appliance will be a constant reminder of your thoughtfulness and good taste.

Yet now an even greater Essex Super-Six

Essex engineers have now created an even greater and finer Essex Super-Six. So startling are its advantages that at the height of the selling season, with the market stripped of Essex cars, and thousands of unfilled orders on hand, production was interrupted to give buyers a greater and finer value.

We are now showing the finest Essex value of all time and your promptness in ordering alone can insure delivery ahead of the multiplying thousands who want this new Essex.
