HOROSCOPE

By C.C. Clark

 Egotism will get you nowhere. Make certain you are aware of what you are doing and saying so you don't leave the wrong impression.

SCORPIO (Oct. 23 - Nov. 21)
 A love relationship intensifies, and the sparks will fly. Try being a little more carefree. The change in attitude will do you wonders.

SAGITTARIUS (Nov. 22 - Dec. 21)
 Your financial sector is looking much better, and you will be able to plan for future ventures. Check investment options carefully.

CAPRICORN (Dec. 22 - Jan. 19)
 A tasteless comment could cause big problems with loved ones, especially a mate. Laughing at your own mistakes is important.

AQUARIUS (Jan. 20 - Feb. 18)
 Friends and family think you are wonderful and want to prove it to you. Accept their kindness and reciprocate whenever possible.

PISCES (Feb. 19 - March 20)
 Confronting someone close to you is not easy, but it is necessary. You will meet or reacquaint yourself with a person who will bring you joy.

ARIES (March 21 - April 19)
 Pay close attention to detail and be cautious when signing contracts. A friend needs your advice but is afraid of being judged. Show you care.

TAURUS (April 20 - May 20)
 Ignorance is not bliss, especially in business matters. You must know all the facts before making an educated decision. Cut through red tape.

GEMINI (May 21 - June 20)
 Your creative energy is sending you in all directions. Take time to focus your thoughts, but not at the expense of family and friends.

CANCER (June 21 - July 22)
 Getting plenty of sleep will help you avoid illness. The best way to make sure you don't get sick is to rest, eat right and exercise.

LEO (July 23 - Aug. 22)
 Open your mind to co-workers' and family members' ideas, and they might just surprise you. Children may figure prominently in coming weeks.

VIRGO (Aug. 23 - Sept. 22)
