Deer hunters: Take aim

NOW THAT THE first archery deer season is history and the firearms deer season is winding down, it's time to find out who filled the freezer.

If you or a friend or relative were fortunate this fall and filled a license, I want to hear about it.

I'll be manning the phone in my Birmingham office 6 p.m. to 10 p.m. Monday, Dec. 2, to take calls from all the area successful hunters. Give me a ring at 644-1101 or send the information to: Outdoors, 805 E. Maple, Birmingham, MI, 48009. Please include hunter's name and hometown, date and location of the kill (nearest town or county will work), sex of the deer, weight (if known), number of points on the rack and type of habitat from which the deer was taken (corn field, cedar swamp, hardwood forest). Any other interesting facts on the hunt are welcome.

Successful deer hunters have a splendid opportunity
