TRAINING ELECTRONIC OFFICE MACHINE REPAIR

NO COST TO ELIGIBLE PARTICIPANTS

The ITT Career Training Center is offering a 15 week course in a variety of electronic and industrial equipment being placed on Cable TV. We're also offering a 13 and 15 week course in maintenance and repair of office machines, typewriters and other office equipment, using video and audio tapes. You can be promoted from a job due to economic conditions, you may need more training and placement assistance.
