by C.C. Clark

SAGITTARIUS (Nov. 22 - Dec. 21)
A disagreement with a loved one could get blown out of proportion. Try to look at the situation objectively and compromise.

CAPRICORN (Dec. 22 - Jan. 19)
You can only take so much from people before you rebel, and this time you're in the right. Just be sure to check your facts before you go off on that tear.

AQUARIUS (Jan. 20 - Feb. 18)
The beginning of the week may have you running around like a crazy person, but things will settle down in a few days.

PISCES (Feb. 19 - March 20)
You'll stay busy at work or school, but that's just the way you like it. Because you're not one to sit idle for long, new projects will please you immensely.

ARIES (March 21 - April 19)
An elderly person may give you advice and you would do well to take it. Financial matters should be taken seriously at this time.

TAURUS (April 20 - May 20)
Don't question things you don't really want to know the answer to. Keeping your nose out of other people's business is tough, but necessary.

GEMINI (May 21 - June 20)
You've got to stop burning the candle at both ends. You are leaving yourself open to every germ that crosses your path. Take care of yourself.

CANCER (June 21 - July 22)
You may have to make a major career decision in the near future. Try to laugh at situations over which you have no control.

LEO (July 23 - Aug. 22)
Conversations with loved ones will soothe your frazzled nerves. Be sure to show your appreciation to those who listen to your troubles.

VIRGO (Aug. 23 - Sept. 22)
You must make a difficult decision concerning a co-worker or close friend. The truth may be nasty, but it must be told. Try to be tactful.

LIBRA (Sept. 23 - Oct. 22)
Keep personal issues out of the workplace or face the consequences. Gossip will tear your personal life to shreds if you're not careful.

SCORPIO (Oct. 23 - Nov. 21)
Try to open your mind to new possibilities. Don't assume those around you can read your thoughts; explain what you need.
