

HOROSCOPE**December 15 through 22****SAGITTARIUS** (Nov. 22 - Dec. 21)
You may have to give up a little to get a lot in return. You shouldn't feel so responsible for other people's actions; you have no real control over them.**CAPRICORN** (Dec. 22 - Jan. 19)
Writing down the game plan now will help those around you. It will also help eliminate questions about who should have done what.**AQUARIUS** (Jan. 20 - Feb. 18)
It's time to get in touch with old friends and renew those ties that bind; no matter how long it has been. Be creative in your approach.**PISCES** (Feb. 19 - March 20)
Be aware of your limitations. Sharing your dreams and aspirations with a special someone could lead to some very desirable results.**ARIES** (March 21 - April 19)
Responsibilities seem overwhelming, but you have to take some time for yourself. Try your best not to be overly sensitive to constructive criticism.**TAURUS** (April 20 - May 20)
Don't take yourself so seriously and you might find things aren't so bad. Lose that negativity and you'll see the world through different eyes. *

GEMINI (May 21 - June 20)

Research all possibilities when considering the investment of your hard-earned dollars. You might benefit from an outsider's viewpoint.

CANCER (June 21 - July 22)

Be straight when confronting others. Telling half-truths will only come back to haunt you. A close relative needs your assistance but is afraid to ask.

LEO (July 23 - Aug. 22)

Stay calm when dealing with stressful situations. Look beyond what is being said and try to see it from the other person's perspective.

 VIRGO (Aug. 23 - Sept. 22)

Problems of a sexual nature predominate. Set reasonable goals and work towards them in both work and domestic venues.

LIBRA (Sept. 23 - Oct. 22)

Work on things that you can accomplish in a short time. Concentrate on what you would like to have in the future.

SCORPIO (Oct. 23 - Nov. 21)

It's difficult, but important for you to work on projects with a team. Others' talents can work with yours better than you imagined.
