

How Do You Fit the Best and the Most Into the Shortest Month of the Year?

Get **HBO** and **Cinemax** in February! **HBO** got "Simply the Best" movies including "Awakenings," starring Robin Williams and Robert De Niro. The Best Original Movies, too, like Jack Lemmon starring in "For Richer for Poorer." Plus the best comedy with Bob Nelson in his own **HBO** comedy hour. And the best sports featuring a live Boxing Tripleheader, The Night of the Heavyweights.

If you like movies, **Cinemax** fills up the month with exclusive action hits like "New Jack City," plus a salute to the starring roles of Shirley Maclaine including "The Apartment," "Irma LaDouce." From Sci-Fi classics like "Planet of the Apes" to comedies to thrillers to romances **HBO** has the most movies on Pay TV!
