Pack 231 Tells Derby Winners

FARMINGTON
The pinewood derby held by Farmington Cub Scout Pack 231 in Larkshire Elementary School was won by Craig King, nine-year-old son of Mr. and Mrs. Bruce Hamlin of Palane, Farmington.

Second place was won by Douglas Sisti and third by Thomas Scott. All three were given trophies. The winners topped a field of more than 40 scouts. All entrants received ribbons for the place they took in the first two heats.

THE NEW derby track, made by the Webelos, will be

displayed along with winners trophies and race cars for the Larkshire PTA Fair May 22. The pack will enter the Farmington Founders Festival Parade again on July 31. On June 18, there will be a weiner roast in the City Park and a paper drive will be held June 5 which has been declared as Ecology Day for all scouts by George Brandt of the Oakland Scout Council.

The last paper drive netted \$82.

THE FARMINGTON Beautification Committee asked Pack 231 to help clean up the new Drake Rd. Park in the city as a project and this

was done Saturday, May 8, from 10 a.m. until noon.

Last year, all John Benson saved was \$54.32.

This year, he joined the Payroll Savings Plan.

Poor John. Money just seemed to slip right through his fingers. Every time he planned to stash something away, there wasn't anything left.

Then John decided to join the Payroll Savings Plan where he works. Now, an amount he specifies is automatically set aside from his check before he gets it. And invested in U.S. Savings Bonds.

Because John has become such a systematic saver, he's almost forgotten about it. When he gets around to remembering, he's going to have quite a nest egg laid away.

And now there's a bonus interest rate on all U.S. Savings Bonds—for E Bonds, 5½%, when held to maturity of 5 years, 10 months (4½% the first year). That extra ½%, payable

as a bonus at maturity, applies to all Bonds issued since June 1, 1970 — with a comparable improvement for all older Bonds.

If you keep forgetting to save something out of your check, join the Payroll Savings Plan and let somebody else do the remembering for you.

Take stock in America.
Now Bonds pay a bonus at maturity.

Why John Agby—manager of the area's No.1 muffler shop—switched to Tuffy.

"For years I sold another leading brand of muffler. It was a good muffler, and guaranteed. But not good enough that I could guarantee service installation. The Tuffy muffler is so well made, it's 100% guaranteed—parts and service. Guaranteed as long as you own your car. And with Tuffy, I can offer six months same as cash. No carrying charge whatsoever. A better muffler, a better guarantee and best payment terms possible—that's why I switched to Tuffy. Shouldn't you switch too?"
