Brown in the Jublant aftermath of Rice's second overtime victory of the state tournament (they previously
needed three overtimes to defeat Livonia Churchill in
the regional semifinals).

The hero of 'Lucky Friday' was sophomore winger
Dale Rominsky.

Just two minutes and 10 seconds into overtime, Romlinky took a pass from teammate Matt Green at the
Port Huron blue line, skated past a defender, then buried the pack upstairs past a prone Nate Johnston who
had played an exceptional game for the Big Reds.

IMMEDIATELY after the goal, the hysterical Warrior players hopped over the boards and mobbed Rominsky at the left face-off circle. It was quite an emotional scene Rominsky and Warrior hockey fans will never forget.

"That's Dale's favorite corner up there," said Brown of Hominski who got out of travel hockey to play in the high school ranks. "He's Just a quiet kid who has all kinds of talent. He'd been in a slump lately but he really came through."

Brown said senior captain Brian Hartwell delivered a

stirring speech in the Rice locker room while the ice was being resurfaced for overtime. Hortwell, also a captain on Rice's playoff-tested football and lacroovecams, is a veteran and well-respected Warrior athlete "Our captain laid it on the line and took charge," said Brown. "He told everyone to go out on the first couple of shifts and take it to them. He said we're not going to gethree overtimes again. "We told the kids (Johnston) is a flopper and he'll godown. You just have to go upstairs with it," Brown said. "It's never casy, We just caught a break." The teams played an even, fast-paced first period with a lot of clean hitting. The much tailer Big Reds. even though they had a 20-vin season like Rice, came in as the decided underdog.

FACH GOALIE - Rice's Derek Billis and Johnston

EACH GOALIE — Hier's Derek Billis and Johnstott made outstanding saves in the second period to keep the game scoreless. The Warriors held a 16-10 shot as vantage over the first two periods. Johnston made a tremendous glove save on Ricc's Matt Allen midway through the third period. Billis matched that save as he knocked what appeared to be a sure goal by Port Huron's Erich Huegh wide of the net with just 1:30 left in the period.

with just 1:30 left in the period.

Brother Rice had the only two shots of the short overtime. Johnston again came up big with a glove save on
Allen just 38 seconds into OT. A short time later. Rominski tallied the decisive goal.

"We had that big game against Trenton in Wednesday's quarterlinal) and were a little flat at the beginning of the game," said Brown. We had our chances as
the game went on
"Port Hurmit's bie and strong and thou!" I have all

"(Port Huron) is big and strong, and they II bang away with anybody," he said. "We knew they'd be a physical team. We played well against them. It was a good game, both goafies played well and were in control."
