GOD'S LOVE APPEARS IN THE LOVELY PASTELS OF SPRING

When winter snows have
joined the past,
With skies no longer overcast,
The sun will shine and soon,
at last,
A new day it will bring:
Announced by every balmy
breeze,
While barren branches by
degrees
Will turn to green upon the
leaves.
Where birds begin to sing,
The butterflies are everywhere,
And flowers' perfume fills the air:
Their pastel beauty meant to share
With every living thing.
Your faith will help you understand
The love of God, when He has planned
That everything upon the land
Will come to life in spring.
- Gloria Nowak
For thee the wonder-working earth puts forth sweet flowers.
-Luther
