SHOULD CHRISTIANS CELEBRATE EASTER?

An Evaluation of our Spring Holiday

Does this question disturb you? After all, isn't Easter an important Christian holiday? It may appear so to many, but noble and sincere Christians will judge that only by the Scriptures. And we want to help you do that this year.

Surely you have wondered what rabbits, eggs and Jesus Christ have in common. And why do people sing to a rising sun early on Easter morning? And what is Lent and its emphasis on eating fish?

Jesus promised He would be in the grave three days and three nights. Can you count from Good Friday afternoon to Easter Sunday Morning? It is only one day and two nights. Give two hours to the Lord to see Jesus vindicated.

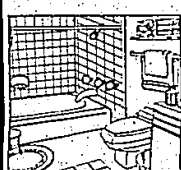

Original material will be presented with visual aids. This seminar is entirely free and without obligation. It is sponsored by the Farmington Hills Church (Independent Baptist) for the truth's sake and will be conducted by their pastor.
