

“Looking For Love In All The Wrong Places?”

Supermarkets, laundromats, singles bars - you can look for love in a lot of places. But finding love takes more than a patented pick-up line and a disarming smile. It takes patience, communication and trust - things you won't find in the peanut bowl or the pet food aisle.

The Observer & Eccentric introduces Personal Scene, the new talking personals system. Starting May 4th, you'll find it every Monday in Street Scene and in every Thursday's Classified Section.

Personal Scene is an affordable way to meet hundreds of singles from all over the suburban Detroit area.

Here's how it works. First, place your 5-line listing FREE For 8 Times, and record your original voice message free. So if you are 18 years or older, call 591-0900 Today!

Once your ad and voice message are entered, interested parties can hear your message and leave a reply for just \$1.49 a minute. Then, also for \$1.49 a minute, you can retrieve replies and see what you think. If you like what you hear, you can call them back and arrange to meet. No one will ever call you at home, unless you ask them to.
