

# Meet the sun set.

Want to meet interesting people  
who share your love of outdoor activities?

We have two great ways you can do it.

Our new Personal Scene directory begins today.  
Find it in *Street Scene* and learn how you can place  
a personal ad for someone  
who belongs to the "sun set."

Or, keep checking the Personal Scene listings for  
that special someone who shares your love for  
sunshine activities! You'll find Personal Scene in  
*Street Scene* on Monday and in the  
Classifieds each Thursday.
