

HOROSCOPE

By C.C. Clark

TAURUS (April 20 - May 20)

Be careful in your choice of a romantic partner. A co-worker could cause problems for you. Check your facts before making a presentation.

GEMINI (May 21 - June 20)

It may be time to see a specialist concerning that nagging health problem. It will give you peace of mind and you will feel better, too.

CANCER (June 21 - July 22)

A bizarre incident could astound you and possibly cause distress. See things as they are and you will be able to deal with the world a little better.

LEO (July 23 - Aug. 22)

An argument concerning financial or domestic matters could cause big problems if not treated with a gentle hand. Pay close attention to detail.

VIRGO (Aug. 23 - Sept. 22)

Curb your obsessive need for perfection, otherwise you could end up very lonely. Don't alienate yourself from co-workers and friends.

LIBRA (Sept. 23 - Oct. 22)

Don't be afraid to make your true feelings known to those closest to you. Work or school pressures are getting to you. Take a short trip and relax.

SCORPIO (Oct. 23 - Nov. 21)

Spend more time with your family. Turn off the TV and enjoy the wit of those around you. Accept legitimate criticism and keep your mind open.

SAGITTARIUS (Nov. 22 - Dec. 21)

Set yourself free and let your mind race with future possibilities. If you aren't happy with your current situation, get out of it.

CAPRICORN (Dec. 22 - Jan. 19)

Visit friends you haven't seen in a while. It will make you feel much better about yourself. Music figures prominently in your near future.

AQUARIUS (Jan. 20 - Feb. 18)

You have put off that new exercise program and diet long enough. You want to feel better, so do something about it. You will experience joy.

PISCES (Feb. 19 - March 20)

Surprise guests could disrupt a special evening, but things could turn out better than planned. Cultural pursuits bring knowledge.

ARIES (March 21 - April 19)

Take heed of a message from an important person in your life. Don't be too critical of those who are doing their best to look after you.
