

West Second In Loop Meet

Garden City West High's track team finished second best in the annual Tri Rivers League meet. West scored 56 1/2 points, as Cherry Hill took the team title with 71.

Taylor Kennedy scored 56 1/2 points, Southgate 26, Shafer 25 1/2, Crestwood 23 1/2, Riverside 20 and Melvindale 19.

WEST HAD THREE individual winners in Russ Graham (high hurdles), Dale Halliwell (low hurdles) and

Don Anderson (two mile). Graham also was second in the low hurdles while Halliwell was third in the both 100 and 220-yard dashes.

Here's how West placed in the league meet:

Mary Mohacs, the Livonia school teacher who decided to take a year off from coaching in the ladies all-star leagues, proved that the layoff didn't harm her game by winning two titles in the women's city tournament.

She finked games of 213, 213 and 235 for 160 to take the actual singles crown and followed by winning the all events with an actual count of 1K32.

While Mary wasn't competing with the all stars she bowled in various leagues in the area just to keep her game sharp; it proved worthwhile for she is the only double winner in the tournament.

Another all-star couple—Marlene McKown and Leslie Richardson—learned to win the actual doubles with 114. The Brooks Bowling Clinic won the actual team title with games of 893, 855 and 869 for 2717.

THEY REALLY blew the lid off things in the final night of the Garden Lanes Classic. Tom Kanas paced the bombing by linking games of 194, 288 and 258 for 740. Right behind came Bob Cassar with 721 on games of 215, 246 and 256.

Third place went to John Mc Killen with a 711 that came on counts of 257, 237 and 217. Five others beat the 650 target. Mike Mathis had a 677 and was followed by Larry Brandt with 670, Bob Grenier 664 Terry Burns 659 and Bob Boss 656.

Then, to top off the big night, the Trio Grinding team put together games of 1083, 1182 and 1064 for a 3329—third highest series of the season.

A POOR START prevented Ev Hubble, one of the clerks at Westland Bowl, from taking the all-events lead in the women's state tournament at Ark Lanes over the weekend.

Opening with a 497 in the team event she followed with a 255 in 65 in her doubles and closed with 612 in the singles for 1762.

She missed gaining a deadlock with Bev Patterson and Miriam Landwehr for the actual all-events lead by a mere nine pins.

HAL JOLLEY'S Handicraft Managing team finished on top in the Westland Classic and Hal had the double honor of being on a winner and rolling a 769 for the season high series.

Dick Lang topped the averages with 209 and Bob Maynard's Professional Sports team rolled the season high of 3313.

ANN SETLOCK, Detroit's bowling queen, is continuing a high scoring pace in the summer doubles classic at Garden Lanes.

She topped the field Tuesday with a 654 to gain a wide edge on her rivals. Runnerup honors went to Marilyn Dee with 578 and Polly Pole and Edna Pikulinski each had a

559 Mary Mohacs a 558 and Betty Fingery a 562.

JUDY WILKINSON had an unusual experience as the Spring Ladies League opened at Farmington Lanes.

After establishing an average of 155 she was all set for the opening.

But tension entered the picture she tightened and posted a mere 99 game. Advised to calm down she did just that and came back with a 215.

Colleen Fynn topped the Prep girls in the school league with a 199 in 511 and Clip Mitchell showed the way to the boys with a 205 in 479.

THE GIRLS got away to a flying start in the ladies summer league at Westland.

4 In Row Gives West 2nd Place

A roaring finish — four straight victories — enabled Garden City West to snare second place in the final Tri Rivers League baseball standings.

West edged Kennedy, 6-5, and Crestwood, 2-0, last week to end the league slate with an 8-6 record as Southgate ran away with the title by winning all 14 of its conference encounters.

Jim Whaley lashed out two doubles and a triple to lead West in its win over Kennedy.

Gary Morrison Hurls 2nd Straight Shutout

Sophomore Gary Morrison has emerged as a new hero at Farmington's Harrison High Schools.

Shutout wins in two straight games have made the left-handed Morrison the talk of the school.

His most important triumph came Saturday when he blanked Saline, 1-0, in a Class B pre-district tournament game.

MORRISON YIELDED three hits, fanned nine and walked five to best Dennis Bishop of Saline who allowed only three hits and matched Morrison in pitching shutout innings until the bottom of the seventh inning.

Then Derek Economeau singled and stole second for Harrison. He continued on to third when the throw went into centerfield and scored the game's only run when Morrison—ihat's right, Morrison—delivered a clutch single to break up the game.

Morrison's first shutout had come over Harrison.

Harrison had a date with Churchill on Wednesday to

end its Western Six League schedule and then hosts Dexter Saturday at 1 p.m. in its next game in the state district tournament.

The chances are good that Morrison will be back on the mound.

With Nelson Cady pitching a six-hitter, Stevenson's High's baseball team ended its Inter-Lakes League schedule on a winning note with a 7-1 decision over Southfield Lathrup.

The win gave Stevenson a final 6-9 standing in the league.

The Livonia scored once in the second inning when Mark Keifer singled and came

around on two sacrifices and an error.

Then came a six run explosion in which Keifer started things with a single. After Tom Cee was safe on an error, Frank Geluso and Mike Gee walked, Bob Biely singled, Mark Macy singled and John Lewis climaxed the inning with a two run homer.
