Boat owners: Public docking will not be permitted on the island. Boat owners are urged to congregate — well in advance — the Detroit Yacht Club or any of the other marinas in the area about rental slips. Also, anchoring off the island near the course is prohibited.

The Cars: Three different types of cars will race at the ITT Automotive Detroit Grand Prix. The featured cars are the IndyCars; Made famous by the Indianapolis 500; IndyCars are the Americans version of Europe's popular Formula One race cars.

And although they're known for their prowess on the oval courses like Indy and the Michigan International Speedway, IndyCar "oval" courses, like Belle Isle, are now as much a part of the IndyCar championship as are the ovals.

The scaled-down version of the IndyCars are known as Indy Lights. Powered by V-6 Buick engines, the Indy Lights produce up to 450 horsepower (750 in the IndyCars), weigh about 150 pounds less than their counterpart, but produce speeds on the courses comparable to an IndyCar.

The final car they'll race at Belle Isle is the Sports Car Club of America Trans-Am class. Modeled after the classic American muscle cars like the Ford Mustang and Chevrolet Camaro, the SCAA Trans-Am circuit cars pack up to 625 horsepower in a carbon-fiber body that can reach speeds of up to 190 mph.

Best Cheap Seats: In looking at the layout of the course, we recommend the relatively treeless site between turns three and four. From there, spectators will be able to view three, possibly four turns and listen to a slew of gear changes.

Radio and TV: If you're out of town for the weekend, set your VCR to ABC for Sunday's IndyCar race. If you're in the ballpark, but still can't get to the island, WWJ-AM will broadcast the IndyCar, and Trans-Am races live.

No-No: Remember, no coolers, bottles, cans, chairs, platforms, crates or buildings are allowed inside the circuit. Thanks.

Camping: No!

Fun for all: Yeah!

Formula just doesn't work for 'Cop'

PASS THE POPCORN

LEANNIE ROGERS

Sometimes, if a film is really well done it can overcome the formula and predictability of its genre. Unfortunately, "One Good Cop" isn't one of those exceptional films.

"One Good Cop" is predictably dumb and ultimately forgettable.

Michael Keaton and Anthony LaPaglia are a couple New York police detectives working narcotics cases.

LaPaglia is a widower with three young daughters. After a less than subtle set-up of him as a devoted dad, guilt-ridden because he ran around on his late wife, you just know he won't be around long.

It's that guilt that leads to his death during a violent domestic dis-

pute in which the father is threatening to kill the mother. It seems like concern about who was going to raise his kids might have tempered his action. Instead he makes a split-second decision that costs him his life.

Naturally, Keaton feels responsible and takes the kids on a temporary basis. Yeah right, like there is ever any suspense about whether he and his wife, who really wants children but can't have them, will keep the kids?

The other plot line of this film concerns Keaton's efforts to get to the drug dealer who supplied the dope to the guy who killed his partner. In a moment of sober remorse, the man who actually did the shooting provides the information to get the investigation started.

I don't know which is worse — the sentimental drivel involving the kids and the homefront or the un-

attractive and morally-lacking crime

mite, Keaton and company knock lots of heads together which seems to be the largest part of their investigation. That and Keaton glaring behind dark glasses. Very intimidating.

Of course, it wouldn't be a predictable genre picture if Keaton didn't get the bejeezus beat out of him and shot at least once.

The two stories collide as Keaton needs cash to buy a house in order to keep the kids, he decides to rip off the drug dealers he has been investigating. Apparently, the end is supposed to justify the means. This is reinforced when he drops the excess cash into a church poor box.

Based on the actions Keaton's character takes, I would have to assume the title of the film is meant to be ironic. He might have been a good cop before and clearly, he's a loyal friend. But good cops aren't thieves and respect the law. The

Michael Keaton

whole film rather insults your intelligence.
