

# PROVIDENCE PARK

## A new development in healthcare is just minutes away.

Introducing the new Providence Medical Center - Providence Park in Novi  
Opening in June 1992

### Minutes away. Light years ahead.

Providence Medical Center - Providence Park, located at Grand River Avenue and Beck Road in Novi, represents the first phase of Providence's medical campus of the future. We offer the most comprehensive medical services in the area. Scheduled to open in June 1992, the Ambulatory Center will house:

- A 24-hour emergency center equipped to handle minor injuries to major heart attacks.
- A fully equipped surgery center designed to handle outpatient (same-day) surgeries ranging from arthroscopies and hernia repairs to plastic surgery and gynecological procedures.
- A post-surgical recovery care unit, for care less than 24 hours.
- Complete clinical laboratory and diagnostic radiology services.
- Mammography and diagnostic ultrasound.
- CT-scan and nuclear imaging support services.
- Cardiopulmonary and audiological testing services.
- Diagnostic endoscopy center.
- Physical medicine and rehabilitation services.
- Pharmacy care center.
- Community health education resource and conference facility.
- Restaurant.

Adjoining the Ambulatory Center is the Medical Office Building of more than 90,000 square feet. Providence physicians specializing in the following areas will have offices in this building:

- Family practice
- Obstetrics/gynecology
- Pediatrics
- Cardiology
- General surgery
- Ophthalmology
- Otolaryngology (ear, nose and throat)
- Many other medical and surgical subspecialties.

Additional medical office space will open in December 1992. Future phases we envision for Providence Park include expanded comprehensive outpatient services with the eventual goal of building an inpatient hospital and residential facilities for the elderly. In the years to come, Providence will continue its commitment to provide quality, accessible healthcare for area residents.

**A convenient location. A beautiful setting.**  
Providence Medical Center - Providence Park is conveniently located in a beautiful park-like setting just two miles west of Twelve Oaks Mall. It is right off I-96 at the Beck Road exit at the corner of Grand River Avenue.

**Providence Hospital and Medical Centers: a network of caring.**  
Providence Medical Center - Providence Park is part of a complete healthcare network created to meet your needs. This network of caring includes Providence Hospital in Southfield and numerous suburban medical and specialty centers.

Travel times from Providence Park at Grand River and Beck to:

|                                     | Miles | Minutes |
|-------------------------------------|-------|---------|
| Twelve Oaks Mall                    | 2     | 3-5     |
| Downtown Plymouth                   | 15    | 13-17   |
| Downtown Farmington                 | 16    | 14-18   |
| Downtown Ann Arbor                  | 35    | 33-37   |
| Providence Hospital                 | 23    | 20-25   |
| Providence Medical Center (Livonia) | 11    | 14-20   |
| Providence Medical Center (Troy)    | 13    | 16-20   |
| Providence Medical Center (Livonia) | 8     | 10-13   |
| Providence Medical Center (Livonia) | 6     | 8-10    |

### PHYSICIAN DIRECTORY: The following members of the Providence medical staff will practice at Providence Park. Please contact their offices directly for hours of operation.

|                                                                                                                                                                                      |                                                                                                                                                                                                                |                                                                                                                                                                                                                       |
