

## Majestics sweep twinbill

Katie Kenny had eight hits and seven RBI to help the Farmington Hills Majestics sweep a doubleheader from the Farmington Funtastics in the Incredible Girls Fast-Pitch Softball League last week, 10-0 and 21-7.

Kenny was 4-for-5, Krista Miller and Allison Gunn 3-for-5 in the first game. Miller, who also had two RBI, pitched a two-hitter, striking out nine and walking none in the five-inning mercy contest.

Kenny was 4-for-4, Piper Metz 4-for-5 and Miller 3-for-4 in the nightcap. Miller and Kenny also had four RBI apiece and Metz three. Each girl scored four runs.

Heather Jonna pitched three inn-

ings to earn the victory and Debbie Driskin the final two.

The Livonia Lakers won a pair of games from the Livonia Spitfires by a one-run margin each time, 12-11 and 9-8. Michelle Averill and Rebecca Jansen were the respective winning pitchers.

Becca Block had four hits and six RBI in the double-header, Tami Schaffer three hits and Jansen two hits (one being a base-loaded triple).

Rachel Allor and Jen Holzman had two hits apiece as the Farmington Hills Diamonds won the first game 8-5 from the Farmington Hills Hornets. The Hornets rebounded with an 11-5 victory in the second.

## South humbles Hurricanes in Koufax game

The South Farmington Sandy Koufax team improved to 12-1 in the Little Caesar Baseball Federation with a 12-6 win over the Birmingham Hurricanes Monday.

Marty Wilk drove in three runs — two with a double and another with a single. Todd Miller had three of the 13 hits and Angelo Palazeti two.

Jack Siskosky, Danny McLaughlin, Brad Hastedt, Greg Call and Palazeti, who also pitched the first four innings to get the victory, scored two runs apiece.

South Farmington won four of six games in the Firecracker Classic July 2-5 in Warren. Twenty-five teams from six states and Canada participated.

Nick Latra pitched a no-hitter as the Koufax ballclub opened with an 8-0 win over the Troy Astros. He struck out three and walked one. Mike Daguanno and Hastedt had RBI doubles and Tommy Mondoux two hits.

A two-run homer by the opposing catcher in the first inning propelled Team Michigan of the Macomb Federation to a 3-0 win over South Farmington in the next game.

South Farmington had three hits in the first inning and didn't score. Garret Burch allowed only three hits in five innings but suffered the loss.

The locals rebounded with a 10-0, four-inning mercy victory over the East Macomb Sox. Kenny Johnson was 3-for-3 with four RBI and

Siskosky added two hits. Wilk pitched a three-hit victory.

South Farmington ripped R.T. Medical of Cuyahoga Falls (Ohio) in the following game, 9-1.

Latra and Palazeti pitched three innings each and combined on a five-hitter. Daguanno led the offense with a solo homer and a double. Johnson and Wilk also had two hits each.

South went to 5-1 with another four-inning, mercy win over the St.

Clair Shores Twins, 10-0. C.J. Ghanem pitched three innings without allowing a run. Siskosky, Dennis Manning and Burch had two hits apiece.

The Palatine (Ill.) Travelers knocked South Farmington out of the tournament Saturday, 8-5.

Ghanem had a two-run double and Joe Kalczynski a two-run single. Latra pitched the first 2 1/2 innings and got the loss when Palatine took a 6-0 lead after three innings.

### The Challenge of...

Sound Management is the title of a report of the Democratic Caucus of the U.S. House of Representatives. This report, dated June 1992, contains 28 recommendations for tackling government waste in federal spending. If these recommendations were pursued and implemented we as a people will save \$60 to \$85 billion dollars. As your congressman in the new eleventh congressional district I will support these recommendations. In particular, I will recommend a major reduction in the bureaucracy of government, that is in overhead cost of government. Second, I will insist that money allotted for the cleanup of toxic waste is used for that purpose and not being spent in the millions on paperwork regarding the project. Third, I will seek to line tune the Department of Defense budget to the extent that it obtains what it needs but avoids the routine purchase of 10% more than it needs. Fourth, I will pursue tighter management of the end of the fiscal year spending due to worries that if you don't spend it, you won't get it next year's funds.

Finally, as your congressman I will meet the challenge of tackling government waste by speaking to reclaim some of the unused money that is in the foreign aid pipeline. We need to balance our budget through fiscal discipline. It can be done with determination, dedication, and personal devotion to the cause. Please vote in the Democratic primary on August 4.
