**CANCER (June 21 - July 22)**  
Something you have been hoping for will happen soon. The kindness of others may give you personal insights. Seek a spiritual path.

**LEO (July 23 - Aug. 22)**  
Family matters should take priority over everything. A problem concerning finances could be solved with an expert's advice.

**VIRGO (Aug. 23 - Sept. 22)**  
A message from afar could bring good tidings. Guard against selfishness; it will only cause ill will in the end. A big problem will soon be solved.

**LIBRA (Sept. 23 - Oct. 22)**  
Someone with a special vision could bring great understanding to your life. There is someone very close to you who is suffering.

**SCORPIO (Oct. 23 - Nov. 21)**  
You may feel too restricted by your boundaries. Get out and meet new people and try new things. You may soon accomplish a major goal.

There is a possibility of great change in your life. Consider your options carefully and think of what is best for yourself and those closest to you.

This could be the beginning of a great love. Matters of the spirit will take on a special significance. Material gains may also be involved.

**AQUARIUS (Jan. 20 - Feb. 18)**  
Fear of change or travel could hinder your chances for advancement in many areas. You will succeed with new projects if you see them through.

**PISCES (Feb. 19 - March 20)**  
You will receive what you justly deserve, though it may not be what you expect. A friend could bring mixed news that will confuse you.
