factory representative.

syear-old Ford Motor Co. factory representative.

WESTEN of 2990 Briarton has it wo children in Forrest Elementary School, Kim, 10 and Tommy, 7.
He moved here "because of the good shool system."
His complaints primarily have to do with "efficient" school operation, Westen said. He wans to "improve the efficiency of the educational system by improving and utiliting present facilities and culcilities and equipment and manpower and utiliting present facilities and equipment and manpower and utiliting present facilities and equipment and manpower and utiliting present facilities and equipment, left be schools had to choose between a pool car for some staff members or a music program, he would favor "putting our priorities in order and keeping the music program,"
Too frequently, those involved in school operations "tend to lose sight of the fact that the school has, as its first goal, education of the phild, "Westen delated be a "review of turner texpenses, in admistration as well as overall."
Westen said he suspects in the fact that the school has, as its first goal, education of the phild, "Westen delated before he could take office. Even if milage passes, boossible should be made and social" position within the school system. They sak themselves: "Does our superintendent have the same facilities and social" position within the school system. They sak themselves: "Does our superintendent have the same facilities and factor in the superintendent of the proper of the competitive," he said. "We don't have to keep up with suffice and the superintendent in the next district instead of "Is he making and staff the superintendent of the proper of the superintendent of the supe

Dems Will Hold Candidates Night

Candidates for the Education have been invited to appear for the regular monthly meeting of the FABRIC SPECIAL Farmington Democratic Club at 8:15 p.m. Thursday, June 3.

The meeting will be held in the First Farmington Savings and Loan building on Mooney near Grand River, directly across from the Farmington Plaza.

THE CLUB'S candidates' night will offer residents one of the few opportunities to hear the five persons who are confesting for the single seat to be filled by this year's school election on June 14.

Each candidate will make a presentation and then the audience will be allowed to ask questions.

Participants in the forum included: John Washburn III, president, Farmington Board of Education; Jim Leary, assistant superintendent, Clarenceville Schools; Gerald Charenceville Schools; Gerald Harrison, Farmington Chamber of Commerce and retired superintendent of Farmington Schools; Marion Gagnon, League of Women Voters, and Phyllis Cum-mings, Farmington PTA Council.

as "not to lose touch totally" with classroom problems.

"Every administrator is most effective and his first more effectiveness because he has lost touch with the reality of what teaching is."

Westen himself taught in public secondary schools for eight and a half years in St. Chartes, Mich, and in New Jersey. His field was automotive electroricity, woodworking and math.

He transferred to Ford Motor Co. as a curriculum written and technical institutor for training district service school instructors. After about two years, he moved to the sales office as a factor and the end of th

REGARDING education, Westen said his wife agrees with it but he 'has the sensation of most fathers; I'm not sure I want my daughter taught; I have a protective reaction. On the other hand, I never had a ster."

sister."

At the same time, "being realistic, you can walk in any of the 'johns' from the sixth grade up, boys or girls, and can see sex education very much in prevalence in our schools," he said.
