Have you ever wondered why Jesus spoke in parables? Most Christians know that parables made the gospel easier to understand. The truth is that when Jesus spoke in parables so that the listeners would NOT understand what he was saying (Matt. 13:10-17). Jesus explained the parables to his disciples later in private (Matt. 13:34-35). If you're interested in learning more about the real Jesus of the Bible, come worship with us!

FAMILIES CAN STAY UNITED DESPITE THE GENERATION GAP

As more and more activities occupy our lives, they tend to leave family members with very little "quality time" to spend together, recounting the day's events and discussing their problems. This is particularly true of the children, who when they are younger tell Mom and Dad everything that happened in school and elsewhere. However, it has little effect on the teenagers when they reach those double digits and begin living in a world of their own anyway, and Mom and Dad learn to accept it. This generation gap is hard to bridge, but it does help if the family can get together on the sabbath day and attend the House of Worship. The home should be the center of love, happiness and security, and the lessons of faith can be the best reminder of it.

My family has been the source of
my greatest joys.
—George Bush

"His household...shall keep
the way of the Lord."
