Do you want to SPEAK in tongues? Today's
Charismatic movement emphasizes that modern
Christians experience the gift. One the Bible says
that tongues were a gift for only the apostles and
their helpers (Mark 16:17-18). Tongues ceased when
the first Scriptures were completed (1 Cor 13:8-10;
1 Peter 1:16-17). Our church is sponsoring a seminar
to study the subject on October 8 at 7:30 p.m. See
our display in 294 paper.

FAITH SAYS A HANDICAP IS A CHALLENGE TO OVERCOME IT

Physical handicaps come in many forms, and so do the opportunities for overcoming them, even in sports. There are blind skiers, as well as one-legged skiers and mountain climbers. Those confined to wheelchairs have many chances to join in athletic events. Moreover, there are other avenues of achievement for the handicapped besides sports. Everyone knows of the incredible accomplishments of the paralyzed young woman artist who learned to paint beautiful pictures with a brush held in her teeth. Handicapped employees are dedicated to their work, determined to be worthy of the trust placed in them. God gave man the ability to perform to his fullest potential, with an added boost if he has a handicap to overcome. So let us thank Him for this extra love He confers, wherever it is needed.

Although the world is full of suffering, It is also full of the overcoming of it. -Helen Keller

"God was with him, And delivered him out of all his afflictions." -Acts 7:9,10
