Nothing Else Measures Up.

Introducing Volkswagen EuroVan – a new idea in family transportation. It's a mid-sized van with 40% more space behind the front seats than Dodge Grand Caravan. Which translates into more headroom, more legroom, wider seats and a bigger cargo area, too. All this room in a compact, front-wheel drive van that's fun to drive, easy to park and distinctly European. Bring your family in, and try one on for size.
