

HOROSCOPE

By C.C. Clark

SCORPIO (Oct. 23 - Nov. 21)

Be honest with yourself and stop daydreaming. Put effort into reaching your goals. Don't let someone pull the wool over your eyes.

SAGITTARIUS (Nov. 22 - Dec. 21)
Take a look to the past and do not forget what it took to get you where you are today. Bullying people will not get you where you want to go.

CAPRICORN (Dec. 22 - Jan. 19)
Be prepared for the unexpected and look further into a situation to understand it fully. Health matters should be taken seriously.

AQUARIUS (Jan. 20 - Feb. 18)
A change for the better is in store for you. Whatever you decide to do is possible if your mind and heart are in the right place.

PISCES (Feb. 19 - March 20)
Temptation to do the wrong thing could be very strong. If you are quarreling with someone, it may be necessary to back down.

ARIES (March 21 - April 19)
You are too strongly attached to materialistic pursuits. Do not be afraid to ask others for assistance in getting through some tough times ahead.

TAURUS (April 20 - May 20)

Your excellent leadership qualities should be channeled in the right direction. Be thankful for the many good things in your life.

GEMINI (May 21 - June 20)
You must look before you leap and learn from your mistakes. After weeks of turmoil, you should now experience great peace and harmony.

CANCER (June 21 - July 22)
There is an indication of activity taking place beneath the surface of domestic and work affairs. A person close to you may give a wrong first impression.

LEO (July 23 - Aug. 22)
It is okay to try new things, but you must keep your feet on the ground. Patience is a virtue you would do well to learn. Be prepared for new ideas.

VIRGO (Aug. 23 - Sept. 22)
You must use discretion at this time more than any other. Your life journey may be off course and only you have the power to get on the right path.

LIBRA (Sept. 23 - Oct. 22)
You may be experiencing problems in making important decisions; be realistic and narrow down your choices. You have the ability to do great things.
