

\$148,000 Aids Health Merger

The long-discussed merger of the Detroit and Wayne County Health Departments moved a step closer to realization this week with acceptance of a grant of \$148,000 from the W.K. Kellogg Foundation to be used toward development of the plan.

The two-year grant, according to County Commissioner John McCann (Livonia), co-chairman of the merger committee, authorizes the assigning of a permanent staff to make a thorough study of the plan and make recommendations. Said McCann: "These recommendations will be presented to Detroit Mayor Gribbs, the Detroit Common Council and the County Board of Commissioners for implementation."

THE KELLOGG grant was received with great delight by both city and county officials. "It gives the steering committee a vote of confidence," added Mayor Gribbs and Robert FitzPatrick, chairman of the Board of Commissioners.

Cheerleading Workshops Set By EMU

The sixth annual cheerleading workshops, under the direction of the International Cheerleading Foundation, are being offered at Eastern Michigan University this summer. The workshops will be in two sessions—the first July 4-9, the second July 11-16.

Uniform fashion designing, cheerleading technique, acrobatics and tumbling, crowd control, and voice control will be among the techniques taught.

Any junior high or high school cheerleader or prospective cheerleader is eligible to attend. Enrollment is limited to 200 students each session. The students will live in EMU's residence halls, where all meals will be cafeteria style.

A fee of \$57 will cover tuition, recreation, and room and board.
