

# OU actors perform in Washington

Oakland University student actors had a once in a lifetime experience last weekend when they performed at the American College Theatre Festival in Washington, D.C.

The OU production of Caryl Churchill's "Cloud Nine" was one of six plays chosen nationally from among 900 entries for the festival. The director was Karen Sheridan, assistant professor in the department of theater, music and dance.

The OU actors performed April 23 and 24 in the Terrace Theatre of the John Kennedy Center for the Performing Arts.

John Urice of Rochester Hills, the dean of the OU College of Arts and Sciences, accepted an award on behalf of the university in ceremonies marking the conclusion of the festival.

Area actors in the play were Corey Skaggs of Bloomfield Township, Stephanie Woodman of Troy, Sheila Lyle of Rochester, Angela Maclean of Bloomfield Hills, Adam Barnowski of Troy, Joe Bailey of Sterling Heights, Allen Verschuere of New Haven, Rick Carver of Pontiac, James Ureel of Clinton Township and Kelly McDowell of Ortonville.

Actress: Sheila Lyle, a Rochester resident, puts on makeup backstage.

# Slow Drains?

You'll never have a slow running, or clogged drain again!

The secret? Clean drains don't run slowly. The "slows", or periodic clogs, are signals that a thick layer of "gook" is choking your pipes. Just like the "ring" sticks to the sides of your bathtub, this gook sticks to the inner side walls of your pipes.

Old-fashioned drain openers cannot remove this build up. They run along the bottom of your pipes. Even a small tunnel in the gook lets them flow out to the sewer, leaving the gook behind!

Now you can make your pipes run like new with **Piamb Clean®**. Not a drain opener, it's an advanced plumbing cleaner. Its revolutionary one-of-a-kind formula attaches and penetrates into the waste. Then, in just one to three weeks, it liquifies years of build up that drain openers can't even reach. Cleaned from sink to sewer, not just the trap, **Piamb Clean®** is so effective it is money-back guaranteed!

SAVE MONEY. Because drain openers can't reach the gook on the sides of your pipes you have two choices. Call a plumber and spend \$60-\$120, or have money and use **Piamb Clean®**.

Now don't be fooled by look-alikes. Their label has safety cautions instead of a guarantee. And since they aren't as strong, their directions have you use twice as much. So, if your drains have the "slows", get safe, guaranteed **Piamb Clean®** today!
