HOROSCOPE

By G.C. Clark

TAURUS (April 20 - May 20)
 You will be immersed in work, and someone you didn't expect to hear from will be contacting you. Graphics or writing work is in the picture.

GEMINI (May 21 - June 20)
 Focus on new avenues of opportunity and keep an open mind. If you have been off the right path for a while, you will get back on.

CANCER (June 21 - July 22)
 You will be very upset or concerned about financial conditions, bills or medical expenses and possibly the sudden loss of income.

LEO (July 23 - Aug. 22)
 Your heart may not be in your work, but it is important for you to forge ahead. You must show authority figures how well you do your job.

VIRGO (Aug. 23 - Sept. 22)
 A new project may spring from your past, and you will receive a feeling of great satisfaction. Take a good look at where you are and what you are doing.

LIBRA (Sept. 23 - Oct. 22)
 A new romance or potential love affair with a charming and unusual person is on the way for you. An unexpected problem will turn out to be a blessing.

SCORPIO (Oct. 23 - Nov. 21)
 Spend some quality hours with those closest to you. Try to prioritize your work and let others know quickly if you are unable to complete a task.

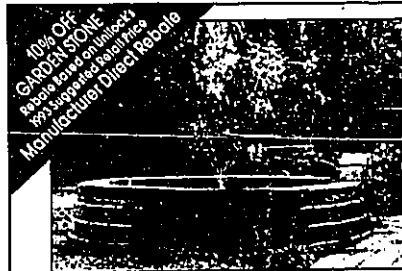

SAGITTARIUS (Nov. 22 - Dec. 21)
 You may be caught off guard by an unexpected problem and find yourself in need of a friend's help. You may have to abandon plans quickly.

CAPRICORN (Dec. 22 - Jan. 19)
 Your thinking may be muddled, and you may need to distance yourself from the situation. An unexpected and unwelcome caller will arrive.

AQUARIUS (Jan. 20 - Feb. 18)
 Someone may begin flirting with you, and things could become uneasy. Handle the situation carefully. This is not a good time to change your residence.

PISCES (Feb. 19 - March 20)
 Business could be slow in the beginning but will pick up later on. Turning a cold shoulder toward a loved one will cause more problems.

ARIES (March 21 - April 19)
 Sudden ill health could befall a loved one, and you should give your support. There are many changes ahead in all aspects of your life.
