racism, the Democrats and Republicans, have monopolized government offices and have brought about domestic and foreign crises of unparalleled magnitude: racism which permeates American life, war in Vietnam which murders our youth, inflationary squeezes on workers' standard of living.

"I am running in this election to give voters the opportunity to cast a protest vote against the two-faced, one-party system which has prevailed for so long in our country. A vote for me and my party is a vote for: community control of schools, businesses, police."

"I was elected to serve as Prosecuting Attorney by the Wayne County Circuit Court bench to serve the remaining term of the vacancy created. I have been serving for approximately 18 months. There is much to be done. This job is probably one of the most challenging offices in the State of Michigan. I feel with my background and philosophical orientation, I have something to offer to the community. We have started many new projects and I would hope to be returned to office so that I can see that they are carried out."

REPUBLICAN:

WILLIAM H. FERGUSON, Fort Shelby Hotel, 525 W. Lafayette, Detroit.

Attorney at Law, Western High School, Detroit Institute of Technology, Detroit College of Law. Practicing attorney over 25 years with partial criminal practice -- general experience in administration, Military prosecutor, general court martial cases, Judge Summary Military Government Court, Stuttgart, Germany.

"With crime on the streets as prevalent as it is, everyone is saying, 'Why don't someone do something?' I intend to do something about it. I will admit that I alone cannot accomplish much, but with the help of the law-abiding public, I will be able to accomplish the aim of all those who are wanting something done. Why don't you and I get together and do it? A general overhaul of the prosecutor's office will have to

take place and a sharp drop in the number of charges reduced."

COUNTY TREASURER

Two-year term
Salary: \$20,000

DEMOCRAT:

(1) **LOUIS H. FUNK**, 65, 18646 Cherrylawn, Detroit.

Wayne County Treasurer. Barstow Elementary at Riopelle and Congress Streets, Firrane Elementary at McDougall and E. Fort, and old Norvel High on McDougall near Grafton.

"I was employed in the Wayne County Treasurer's Office in 1923 and for 32 years I worked as an employee in this office. In 1955, Mr. Harold Stoll appointed me his

Chief Deputy Treasurer, a position I served in for seven years. Upon his death, I was appointed Wayne County Treasurer and was elected to the office in 1964. My only experience and training has been government in the area of finance. It is my opinion that our public officials should have experience and training for the office which they seek. I therefore hope that the electorate of Wayne County will continue to return me to office based upon my experience and performance of my duties."
