Many of us say time and time again that we could live without TV! But is that really true? When some little thing goes wrong with your set, don't you immediately pick up the phone and call the repair man - and very emphatically tell him you would like him to check your TV as soon as possible. Of course you do! Then how can any of us possibly say that we don't care about TV. We're actually lost for things to do... we enjoy being entertained... we thrive on the every-day up-to-date news... and the children are educated by the many fine programs. Don't ever sell TV short! It's the greatest invention since the telephone!

For many hours of entertainment, television fits the bill, and for quality service and equipment, it's BEECH TELEVISION sales and service centers at 2915 W. Six Mile Rd., FE-1, KE-3-2626, and at 29457 W. Six Mile Rd., Detroit.
