Peter Smith & Son's celebrated COFFEE and TEA will be served Free, whether you make a purchase or not.

The National Biscuit Co. of Detroit, will also send an expert to Demonstrate the Superior quality of their Crackers and Cakes and will offer some special prices for this day only

Everybody who reads the Detroit newspapers knows of Peter Smith & Sons, Wholesale and Retail Grocers, and their famous line of Royal Valley Teas and Coffees—the biggest selling teas and coffees in the State of Michigan.

This store has secured the exclusive agency for this splendid line and in the future we can supply you Ceylon, English Breakfast, Young Hyson, Colong, Gunpowder and Japan Teas—and Tzar Coffee, Nero Coffee and Lotus Coffee.

Royal Valley Teas

are the products of the finest tea gardens in the world—of equal quality above the average in every respect—fresh, new crop, freshly blended and perfect.

No better teas ever offered the people of Farmington and vicinity for 20 cents more per pound; and they will please you as only fresh, new, highest-quality teas can please.

Put up in one-fourth, one-half and one-pound packages, all tight and moisture-proof, at per lb., 50c, 60c and 70c.

Royal Valley Coffees

are extraordinary coffees. Exactly the same qualities that you will find in Royal Valley Coffees would cost you at least 10c, and often 15c more per pound anywhere else.

Royal Valley Coffees are selected, roasted and blended with the idea that their richer, smoother flavor and good nourishing body will sell enough of them to make up for their low prices. And they do.

Royal Valley Tzar Coffee is a genuine 45c to 50c per lb. quality for 35c.

Royal Valley Nero Coffee is a proven 35c to 40c per lb. quality for 25c.

Royal Valley Lotus Coffee would cost you 30c at most stores; our price 20c.

You who like good teas and coffees, and don't wish to pay more than is necessary for them, be sure and attend this demonstration and try a cup of Royal Valley Free, then judge for yourself.
