Ruyal Valley Coffees

In this demonstration we will show you semething extraor dinary in a Coffee.

Royal Valley Coffees are selected at the finest plantations in the world-by experts who have spent their lives in the work and know their business perlectly.

The Coffees are then carefully packed and shipped direct to "Peter Smith & Sons, Detroit, Mich., U. S. A.,"

Upon arrival at destination they are stored in air tight moister proof bins where not even a particle of dust can get at them—and where their strength and goodness cannot escape through moisture and evaporation.

The Coffees we offer you are not removed from these bins until we order them. They are then noasted, blended and in bond-linen packages which, like the bins they came from are air-tight and moister-proof.

Don't miss this demonstration. Come and try Royal Valley Coffees FREE, and accompany it with Uneeda Busenit or club t hex home last Friday evening: a six o'clock dinner. other In-er-seal line of goods.
