

## Free Child's Remedy

What mother is not looking for something that will help her child in the little ills of life, something for the stomach trouble and the bowel trouble? Long ago she probably has become convinced that a child cannot readily swallow a pill or a tablet, and that to "break them in half and crush them" is an annoyance; that usually they work too drastically, and are nauseating and too powerful for the little one's stomach. Any mother who will take the trouble of sending her name and address can obtain a free sample bottle of a remedy that thousands of other mothers are using and now paying for. This remedy is Dr. Caldwell's Syrup Pepsin, and the offer of a free trial bottle is open to any mother who has not yet used it. Having used it and convinced yourself that it is what you want, you can obtain it in the future of your druggist at fifty cents and one dollar a bottle, just as many others are doing. The free sample being simply for convalescence of its merits. It is the best way to begin on it. Mrs. L. Davis of 181 W. Harrison street, Chicago and Mrs. Mary Balford, 1710 Lake street, Louisville, Ky., both started with a free sample and now they write that they have never been without a bottle in the house since.

It is undoubtedly a great family remedy, as it is adapted to all ages, being mild and pleasant to take and yet thoroughly effective. It is especially useful for children and women and old folks, who need something pure, mild and natural. It has the advantage of being a thorough laxative and yet contains no harsh properties. Use it for the most stubborn constipation, indigestion, liver trouble, sick headache, sour stomach and such complaints with a guarantee that it will cure.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. I explain your case to you in detail and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. The address of the doctor is Dr. W. B. Caldwell, R. 600 Caldwell building, Monticello, Ill.
