

# U.F.O. LANDS IN FARMINGTON!

To celebrate the discovery of UFOs - **Unique Family Opportunities** - like the Kids' Workout Area, the new 60 station Family Wellness Center, and a host of other exciting Fall programs for adults and children, we've scheduled a **Sneak Preview Week** at the YMCA, September 19-25. Stop by for a tour and a commemorative gift marking the landing of U.F.O. We invite you to share this experience with a friend, so ask one of the friendly Y staff for a complimentary pass for the week of September 19.
