## COFFEE

"What's the matter with ROYAL VALLEY COFFEES?"

Seems as if everybody in Farmington said, "They're all right!"

And everybody in the vicinity of the station as well.

Our demonstration of ROYAL VALLEY COFFEES was a most decided success.

And why?

Because ROYAL VALLEY COFFEES really are the richest, smoothest, best-balanced coffee sold anywhere near the place in Farmington or anywhere else.

And because we showed the hundreds who have here satisfied that they could make a good-sized gain on their coffee cost, and have richer and more nourishing coffee in the bottom.

Try ROYAL VALLEY TZAR at 35c or ROYAL VALLEY NERO at 25c or ROYAL VALLEY LOTUS at 20c a pound.
