

Constipation Cure Free

With the first signs of constipation you resort to the home methods of relief, such as hot or cold water or eating lots of stewed fruit with your breakfast, etc., but what do you do when these fail?

The majority then start on salts and purgative waters, then change to cathartic pills, etc. If you have gone through these various stages you know they were all useless, so far as permanent results go. Now you should try just once again, but try something practical and sensible, a remedy made and intended for the purpose you are trying to accomplish. Such a remedy, as thousands can testify, is Dr. Caldwell's Syrup Pepsin, which is guaranteed to be permanent in its results. Its ingredients are such that by a brief use of it the stomach and bowel muscles are trained to again do their work normally, so that in the end you can do away with medicines of all kinds. That it will do this Mr. G. Y. Dodson of Sanville, Va., will gladly attest, and so will Mrs. S. A. Hampton of Portage, O. To those who are still skeptical there is a way to prove these assertions without a penny of expense: Simply send your name and address to Dr. Caldwell and obtain a free sample bottle. After using it, if you are then convinced it is the remedy you need, buy a dry cent or one dollar bottle of your druggist and continue to use it for a brief time until cured. The directions are simple and the dose is small. It is pleasant to the taste, does not grip and is promptly effective, and these statements are guaranteed or money will be refunded. This remedy is over a quarter of a century old and is personally taken by more druggists than any other similar remedy on the American market. Because of its effectiveness, purity and pleasant taste it is the ideal laxative remedy for children, women and old folks generally. Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For other request the doctor's name is Dr. W. B. Caldwell, R. D. Caldwell building, Monticello, Ill.

A Christmas Present That Means Something.

The one especially good thing about a Christmas present of the Youth's Companion. It shows that the giver thought enough of you to give you something worth while.
It is easy to choose something costing a great deal more which is absolutely useless, but to choose a present costing only \$1.75 that will provide a long year's entertainment and the uplifting companionship of the wise and great is another matter. There is one present, however, which does just that. The Youth's Companion.

If you want to know whether it is appropriate or welcome, just visit the home of some Companion subscriber on Companion day.

Do not choose a Christmas present until you have examined the Companion. We will send you free sample copies and the beautiful prospectus for 1911, telling how the Companion has recently been enlarged and improved.

The one to whom you give the subscription will receive free all the numbers of 1910 issued after the money is received; also the Companion's Art Calendar for 1911, lithographed in twelve colors and gold. These will be sent to reach the subscriber Christmas morning, if desired.
Not too, as giver of the subscription, will receive a copy of the calendar.
