CLARENCEVILLE SCHOOL STARTS A PROGRAM OF HALF-YEARLY ADVANCES

For the first time in the Clarenceville School an effort is being made to carry on a system of half-yearly promotions. Due to the large number of students who change their residence during each year, Superintendent A. A. Kalder has prepared a program which will provide for advances in February as well as in June.

The new system requires extra teaching capacity ordinarily, but Superintendent Kalder, in order to save the School District expense, is making an effort to get along without an added teacher. By adding a class or two to each teacher's program and assuming added classes himself, Superintendent Kalder hopes to put through his program successfully.

Mrs. O. Jensen will entertain the Cheerful Circle and their friends at dinner Wednesday noon. All are welcome.

The Volney Smith School presented a short minstrel show at the I. O. O. F. hall Tuesday evening. J. Fitch and Miss Charlotte Kern gave an exhibition of fancy roller skating.

Mr. and Mrs. Walter Headerle entertained a number of friends Thursday evening at a party at the T. T. C. A. hall.

Walter Headerle is in St. Louis this week attending a convention.

The T. T. C. A. held a pedro party Wednesday evening. Prizes were won by Mr. and Mrs. A. Taber, Mr. and Mrs. Louis Barnes, Mrs. Roy Cox and Robert Jones.

Everyone KNOWS

That It Doesn't Work Both Ways--

Saved money may some day be spent, but this statement cannot be reversed. Spent money never can be saved—by the spender!

But the money you spend, which ought to have been saved, will circulate until it reaches the hands of someone who does save—then he will be using the dollar you'll need.
