PIERSON SCHOOL NOTES

Primary Room

The boys and girls were made very happy last Wednesday morning when Miss Jamison, Wayne County Supervisor of Zone A and B schools, came to visit.

The children of our room are very proud of our new gold stars for Recreational Equipment and Parent-Teacher meetings. The black stars on the Gold Star card are gradually turning to gold.

The first, second and third grades are starting a word-study contest.

This week we are learning about Abraham Lincoln.

In February and March eggs begin to be abundant again, and any time during the spring it is good policy to put down a few of the surplus eggs in waterglass as soon as they are taken from the nest. Next fall you will be glad to have them. The United States Department of Agriculture will tell you exactly how to save these eggs so that they will be in perfect condition when taken out of the waterglass solution.

Long Distance Rates are Surprisingly Low
... For Instance

for **95¢**

Or Less, After 8:30 P. M.,

You can call the following points and talk for THREE MINUTES at the rates shown. Rates to distant points are proportionately low.

From Farmington to:	Night Station-to-Station Rate
CINCINNATI, O.	70¢
MARQUETTE, MICH.	85¢
MENOMINEE, MICH.	70¢
MILWAUKEE, WISC.	60¢
ROCHESTER, N. Y.	90¢
SOO STE. MARIE	75¢
PETOSKEY, MICH.	60¢

The rates quoted above are Station-to-Station night rates, effective from 8:30 p. m. to 4:30 a. m.

A Station-to-Station call is one that is made to a certain telephone, rather than to some person in particular.

If you do not know the number of the distant telephone, give the operator the name and address and specify that you will talk with "anybody" who answers at the called telephone.

Day rates, 1:30 a. m. to 7 p. m., and evening rates, 7 p. m. to 8:30 p. m., are higher than night rates.

A Person-to-Person call, because more work is involved, costs more than a Station-to-Station call. The rate on a Person-to-Person call is the same at all hours.

Additional rate information can be secured by calling the Long Distance operator
